The red block numbers show the original block and lot numbers as designated by the original plat. The RED LINES and RED NUMBERS indicate, respectively, the tract boundaries and lots "not covered by the original plat." Each separate piece or parcel of land covered by the above block is considered a tract, and, except as otherwise noted in red on supplemental sheets, the LOT NUMBERS are shown in black ink, green ink in the mapless zone attached, where appropriate, and shown in red ink on recording books, and transferred by said subdivisions were given numbers in black.
