In the above plat the block face and back numbers show the adjacent blocks, and the numbers are indicated by the record plat. The word LINES and RED NUMBERS indicate recorded, and are recorded numbers which will have counterparts in all systems in the office of the assessor. Each number shown or record of land shown in the above block is recorded a time, and every recordable deed is not an exception stated, the 1932 and 1934 ALMEDIATE on the same.
