In the event the plat has been filed and the block number they are entered there and lot lines and lot numbers are printed by the recorder's office. The plat may be used for purposes other than those for which it was originally intended. Each separate piece of land shown in the above plat is considered a tract and, unless otherwise noted, is not to be divided into smaller parcels.

Subdivisions of Tracts recorded before the date of this plat, were made in the original plat specified before recording hereon and for all years in the recorded plat, and these tracts are not to be divided into smaller parcels.
