This shows that the block lines and block numbers show the correct block and lot lines and are subject to the record plat. The RED LINES and RED NUMBERS indicate corrections. The corrections shown will have authority to the extent of the record plat. Each separate plat or copy of plat created in the above block is considered a block and shall be shown as such in the plat book. THE BLOCK NUMBERS ARE AS SHOWN.

Subdivisions of these tracts shall show in street or other plat, were made by the owner, or owners, before the record plat created for said street, or in preceding years, and were based on, and made in accordance with the laws of this State.
