... and black numbers show the original block and lot lines as required by the recorded plat. ... RED LINES and RED NUMBERS indicate, respectively, the new boundaries and new numbers to the center lot lines. ... Each separate piece or parcel of land owned in the above block is considered a tract, and except as otherwise noted in such a subdivider's deed, the LAST NUMBERS ...

... as shown on above plat, were made for the respective years specified. When assessment lists marked for said years, or in standard years, and books issued by said subdividers were given conflicting values ...
