In the above plat the block lines and block numbers show the original block and lot lines and lot numbers as designated by its recorded plat. The E 1/4m lines and E 1/4m numbers indicate subdivisions, as in
 numbers when such a subdivision is not shown in the original plat. Each separate piece or parcel of land shown in the above plat is considered a lot, with every number and lot or block number
 and TRACT NUMBERS are the same.

Match-lines of Tracts specified below, as shown on above plat, were made in the original plat, and are intended to be kept as such, and not to be changed by subsequent
