SEE MAP ON NEXT PAGE

For the Block Book and their location what the original Block Book is there and its contents is delivered to the Assessor's Office. The REC. NUMBER and TRACT NUMBERS indicate respectively, the tract involved and the  
 subdivision thereof and the date of the original Block Book. Each number also is printed in the Block Book to facilitate a check on the original Block Book. The LOT NUMBERS  
 are printed below the name of the lot, and are in the same order as the original Block Book. The original Block Book is carried for all years, or in specified years, and these books are all carried in the same order as above.
