In the above plat the black lines and black numbers show the original block and lot lines and lot numbers as depicted by the record of the survey. The RED LINES and their numbers indicate subsequent divisions where red lines have been run and lot numbers in the colored lot lines. Each square lot or space of land shown in the above block is considered a tract and should be identified as such in all contracts and TRACT RECORDS in the future.

Subdivisions of these specified blocks, as shown in above plat, were made by the owner or owners of the same at the following years and are identified by all as follows:
